AUTUMN INTERNATIONAL

**Shorthorns & Polled Shorthorns
Beef & Duals**

12:00 NOON

**Omsted County Fairgrounds
Rochester, Minnesota**

To The Progressive Shorthorn Breeder

The second Autumn International Sale offers to the Progressive Shorthorn Breeder an opportunity to buy some of the best stock offered this year. The top bloodlines in the breed today will be offered.

The first Autumn International saw cattle come from several states and Canada. When the sale was over, cattle sold to 9 states with contending bidders from several other states and Canada as well. The proof of quality comes from the fact that many of their same cattle have performed in the show ring this year winning many championships in a number of states. It is only eminent therefore that the second annual Autumn International be held to bring buyers & sellers from two countries together again.

In the past few months my travels have taken me throughout the U.S. and Canada. It has been my opportunity to see almost every individual consigned. They are indeed a tremendous set of cattle. Whether it be beef or dual, horned or polled, appendix registry, this offering includes them all. These breeders are coming hundreds of miles. They intend to bring their best.

Join us for the second annual Autumn International.
